February

2020

A Note From the President of the Board:

Hello February. The days are getting longer which is wonderful, even if they are not getting warmer. Not to worry the warmth will be coming along before you know it.

There are some fun things happening at the senior center. I can't list them all here but if you have questions please contact the office.

The Easy Street Pull tab store is up and running. We are all pretty excited about how it is doing. I am looking forward to a successful year with it. We continue to make the interior more interesting and fun plus there will be a sign going up this week that should tell everyone far and wide that we are open. Go up and check it out. Have a cup of coffee or tea and play a game or two. It's fun and you just might win.

The weather has been cold lately. I hope everybody is dressing warm and keeping the home fires burning. With these kinds of temps it never hurts to check on your neighbors.

Remember, February has 29 days this year. All you leap year babies, it's time to celebrate.

~ Dick Hawkins

Hello,
For those who don't know me, I'm Cheryl Doyle. In 2013 after 28 1/2 years of teaching, coaching and being an activities director throughout rural Alaska, I retired and joined Ninilchik Senior Center. I was born and raised in Iowa and as many of you know I'm a TRUE BLUE CUBS FAN! Hence my article heading "Welcome to the Dugout".

My newest adventure is writing informative and enjoyable articles for the newsletters. So Welcome to the Dugout and feel free to send ideas my way about topics you would like to read. As a team we will be the "Best Little Senior Center on the Peninsula"!

2020 Census

Hey, it's the 10 year census time
Census will come out March 12th-20th

- *You will receive a postcard in the mail to respond online
- *If you don't respond on line you will receive a mailed paper form
- *Still not responding you will have a census taker knock on your door.
- *Should you get a census taker at your door keep in mind the following:
 1. Ask for valid identification with a picture
 2. They do not ask for your full SSN#
 3. They do not ask for money, bank #'s, or credit card #'s

Why do we have the Census?

The census determines funds for schools, roads, hospitals, Medicare part B, parks, mass transit just to name a few. Number of U.S. House Representatives seats for states are also determined. Just a note if you have a vacation home don't fill out a census for each home. Only fill one out for your **MAIN** residence.

Just for Fun!

One day a police car pulled up to Granny's home and Grampy got out. The officer explained that this elderly gentleman had said he was lost in the park.

"Why Ivor, you've been going there for over 30 years! How on earth could you say you had got lost?" Said Granny
Leaning close to Granny so the police officer couldn't hear, he whispered, " Wasn't exactly lost. I was too tired to walk home."

About February

Birthstone: Amethyst
Flower: Violet

Aquarius (January 20 - February 18)
Pisces (February 19 - March 20)

February 1865 is the only month in recorded history not to have a full moon.

It's the month for a lot of other causes, too.

February also marks American Heart Month, along with some other “months” you might not recognize: Canned Food Month, Grapefruit Month, Hot Breakfast Month, and our favorite, Return Shopping Carts to the Supermarket Month.

And maybe it's more commercial than romantic now, anyway. It's estimated that Americans spend more than \$18 billion on gifts, chocolate and more for Valentine's Day.

The odds of being born on Feb. 29 are about 1 in 1,461. If you're born on a leap day, you're typically known as a “leaper” or “leapling.” And depending on where you live, Feb. 28 or March 1 is considered your birthday in non-leap years.

A Note from the Executive Director

February! Yay! The days are getting longer and the sun is getting stronger. Although this is true, based on our cold January temperatures this year, it seems as though winter still has a good grasp on Alaska. However...we all can rely on one thing – spring will be here soon! February brings with it Valentine's Day! Hope you can all join us for a very special Valentine's lunch on February 14. In addition to the great Italian themed meal MarteSue has planned, we have a few other little surprises in store for everyone as well!

February also seems to be the start of the growing season; at least according to the seed companies, based on the amount of seed catalogs I've received in the mail lately! If you enjoy gardening as much as I do, these catalogs are the highlight of the month! If you would like to do some gardening this summer but are not sure where you would put a garden, we can help. We have plots available in our community garden! Located right off the corner of the parking lot is our 8-plot community garden. The plots go fast each year, so if you're interested, please let us know. All it takes is a \$25 refundable deposit to enjoy this fun summer activity – keep the weeds down in your plot and you can get your deposit back. Happy Gardening everyone!
