## Coming Up:

February 16, 2026 President's Day -  
Center closed

Here it is February already. It's the month for Valentines. Get your sweetie some flowers and/or some candies. Chocolate covered cherries are always a winner.

February is when I start getting excited for spring. The sun is starting to make a comeback with a vengeance. The days are getting noticeably longer every day. This is also the month that we celebrate President's Day. This year it falls on the 16th. That is a holiday and the center will be closed that day. Make sure you plan accordingly for your lunch on the 16th.

The last two weeks of February is the start of Fur Rondy in Anchorage. I know it's not Ninilchik but the Rondy is a pretty big deal. If you have never experienced it you should give it a try some time. The snow carvings and the sled dog races are always a big draw. As long as we are planning a head don't forget to put the Ninilchik Senior Center Gun show on your calendar. There are a few changes this year. Our gun show will be on May 16, which is a Saturday. The gun show will be a one day only event this year, with the hours being 9 am – 6 pm. If you are interested in being a vendor and reserving a table please call the office. We will also be having a raffle, with the drawing being held at the gun show. We will be raffling 3 guns and a \$300 cash prize as well. Stay tuned for more information on the type of guns that will be raffled.

Another event to put on your calendar is Mario Carboni, "The Honky Tonk Rebel"! He will be performing at the center two times in July. He will be there on July 13 and July 28. Both times he will start at 6:00 pm and end sometime around 9ish. On the 28th Norm Hamlet will be performing with him. What a wonderful opportunity! Norm was Merle Haggard's pedal steel player for 49 years! You won't want to miss seeing two legends, Mario and Norm, together!! The cover charge this year for the concerts will be \$15. There will be a table for pot luck finger food and sodas. I hope you can be there to show Mario some

**Dick Hawkins, President**

February is here - finally! Yay! I heard a poll recently that asked people what their least favorite month is....yup, you guessed it, most people in the poll said their least favorite month is January! At the beginning of January, it seems as though winter is going to last forever, but when February gets here, it seems as if spring is right around the corner! And indeed it is. We can surely notice the extra daylight we're being given and the sun's strength is getting stronger every day.

Spring? Did someone say spring? When I hear the word spring – gardening thoughts start to consume a lot of my brain brainpower! Time to start thinking of gardening and dreaming of the weather where we can be outside without 5 layers of clothes on! If you're looking for a place to garden this year, keep in mind that right off the corner of our parking lot we have a community garden! Last year's gardeners did an amazing job and the garden was beautiful. If you want to see how much of a green thumb you have and put your name in for a garden plot, please contact the office. These plots go fast so get your name in soon!

With spring coming fast, it's also time to start getting things ready for gazebo season! Teri Evans-Schwab has been working away since the gazebo closed last year organizing things for the gazebo opening this year. Her efforts and organizational skills are nothing short of amazing and setting up the gazebo this year will go much faster as a result! Thank you, Teri, for your time and talent in keeping things organized. If you're getting bored with winter and looking for something to do; go through your closets and storage and get rid of the clutter by bringing it here to the center. We collect items all year long for the gazebo and are always in need to more stuff!! Thanks to all who have donated items and volunteered during past gazebo seasons! We're looking forward to opening up in May just as soon as the snow levels and weather will let us!!

What an exciting month we have in February. Valentine's Day, Spring Training Baseball begins and the end of the month and of course the Winter Olympics are happening so I thought I'd drop some facts and trivia your way regarding the Winter Olympics.

2026 [Winter](#) Olympics in Italy.

The torch relay is already underway and some of the top athletes are already making headlines. There are 16 sports in all, including some never seen before, and 116 gold medals are waiting to be awarded.

This will be the most spread-out Winter Games in history: The two primary competition sites are the city of Milan and Cortina d'Ampezzo, the upscale winter resort in the Dolomites that is more than 400 kilometers (250 miles) away by road. Athletes also will compete in three other mountain clusters besides Cortina, while the closing ceremony will be in Verona, 160 km (100 miles) east of Milan.

Get ready for all of the events with this guide of things to know!

Key dates to know

Competition runs Feb. 4-22. Here are some of the big days to mark on your calendar:

Feb. 4: Competition begins (curling).

Feb. 6: Opening ceremony.

Feb. 7: First gold medal events.

Feb. 8: Gold medal, women's Alpine skiing downhill.

Feb. 13: Gold medal, men's figure skating.

Feb. 18: Gold medal, women's Alpine skiing slalom.

Feb. 19: Gold medal, women's figure skating. Gold medal game, women's ice hockey. First gold medals Feb. 22: Gold medal game, men's ice hockey. Closing ceremony.

How to watch

Dozens of countries will stream or air each day's events, with some delaying broadcasts until primetime depending on the time zone.

That will be the case in the U.S., where Eastern time is six hours behind Milan and Cortina. NBC will carry showcase events at night while streaming sports on Peacock.

Top storylines

Athletes to watch: Two of the most decorated Alpine skiers in history, 41-year-old Lindsey Vonn and Mikaela Shiffrin, opened the World Cup season in dominant form, raising American hopes of a golden run in Cortina. Eileen Gu is back in freestyle skiing, as is Chloe Kim in snowboarding. NHL players are back on Olympic ice for the first time since 2014 so watch for the likes of Sidney Crosby and Connor McDavid.

Venues: All eyes are on the hockey arenas in Milan, which were still under construction in December; the main rink will be about 3 feet shorter than NHL and PWHL players are used to. And the athletes' village in Cortina is a set of more than 350 mobile homes.

Russian athletes: Some sports federations are deciding whether to let Russians compete as neutral athletes but only after they are cleared by an independent review process to ensure that they have not publicly supported the war in Ukraine and are not affiliated with Russia's military or other forces.

What's new:

Ski mountaineering will make its Olympic debut while skeleton has added a mixed team event, luge has added women's doubles and large hill ski jumping added women's and men's super-team events.
